# GFTECH Whitepaper

## 1. Introduction

GFTECH is a cryptocurrency project built on Polygon that aims to unite technology and humanity. Our goal is to create a sustainable ecosystem where each transaction generates a positive social impact.

## 2. Vision & Mission

**Vision:** Build a conscious and supportive economy.
**Mission:** Redistribute 50% of tokens and revenues to humanitarian partner foundations.

## 3. Tokenomics

• Name: GFTECH
• Symbol: GFTECH
• Total Supply: 3,000,000,000 GFTECH
• Allocation: 50% Foundations, 50% Community and investors

## 4. Token Utility

• Automated donations to foundations
• Usage in solidarity payments
• Future integration in Web3 applications

## 5. Roadmap

• 2025: Official launch on Polygon, registration on PolygonScan
• 2026: Web3 ecosystem development (wallets, partnerships)
• 2027: International expansion and integration into social marketplaces

## 6. Governance & Transparency

The GFTECH smart contract is verified and public. Redistribution to foundations is automated and the community participates in governance decisions.

## 7. Team

• Founder: Gino Ferrante (Montreal, Canada)
